The **Dirt Demon** class is a trophy only entry level class. The top three weekly drivers receive a trophy and one free pit pass. Valley points are maintained, and awards given at end of year. This class is not a pay-out class and not eligible for established points fund for 2010.

A season points fund will be established for the **A Modified**, **B Modified**, and **Street Stock** classes. Drivers must race in **80%** of class events to be eligible for 2010 points fund.
