

2012 Pit Stall Information

**Visit
www.valleyspeedway.com
to check for available
stalls.**

**Pit stalls will NOT be
reserved during test and
tune or practices.**

- Pit stalls reserved on a first come, first served basis after regular race season concludes.
- Cost \$100 per stall per 2012 racing season. This includes the weekly Season Points Series racing, with the exception of the Fast Fall (nonpoint series)
- Special events held during the regular series featuring a race class will adjust the parking for the class involved by grouping class together in an area, not reserving specific stalls.
- The Pit area will be numbered by Valley Speedway, and drivers may select 1st, 2nd, and 3rd choices for pit stall location off the map at time of reservation.
- Any reservations taken over the phone will be honored for three days awaiting payment. After the third business day, the stall will be released if payment is not received.
